Professional service 24/7 for routine transport or emergencies

Tugmaster with 400 ton towing capacity – capable of moving a fully laden 747 jumbo jet (shown being loaded for transport to a job).

We recover more than vehicles!

Griffet 20 ton all-terrain 6-wheel drive mobile crane.

Priority service 365 days a year

Muscle when muscle is needed

Clearing storm damage with our 6-wheel drive on/off-road Leyland Martian combined crane, winching and recovery vehicle.

Recovery of WWII tank from MOD live firing range using our Centurion Armoured Recovery Vehicle – one of the most powerful recovery vehicles in the UK. (90 ton winching capacity powered by a 27 litre V-12 Rolls-Royce Meteor.)

Yes, we recover cars too!
